The statistics in the top two charts represent urban area homes and exclude rural properties. N/A means "No or Insufficient Activity" in the reporting period.

Median price means the midpoint, with half of the sales being above and half below the listed number; *it is not the same as average.*

Median prices reflect overall market trends and are not a measure of pricing for individual properties. Small sampling sizes can lead to wide variances in year to year comparisons.

Statistics are based on reporting by REALTORS® to the Southern Oregon Multiple Listing Service.

REO/Short sales and inventories are not foreclosure rates.

"Standard" indicates properties that do not require third party approval for the transaction.

"REO" means Real Estate Owned, indicating bank or mortgage company ownership.

"Short" stands for Short Sale, where third party approval is required for the transaction.

Percentages of sales and inventories add up across the rows, but may not total exactly 100% due to rounding.
